### **REASONS FOR ALLOWANCE**

1. Claims 14-16 and 19-29 are allowed.

The following is an examiner's statement of reasons for allowance.

Regarding claim 14, prior art does not disclose or fairly suggest a viewing device including at least one sensor for sensing coded data on or in a substrate, at least one display device, and a user interface and control means operable to cause a printer mechanism to print markings on a substrate based at least partially on user input to thereby allow a user to interact with a part of a human discernable interface, in combination with all the limitations in the claim. Claims 15, 16, and 19-29 are allowed by virtue of their dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
